

IN ALL THE EARTH

[Verse 1]

How majestic, how majestic
is your name
All the heavens declare that
you are great
All creation sings that you alone
are glorious

[Verse 2]

How amazing, how amazing are
the works that you are making
From creation to the cross
your love is shaking the ground
beneath our feet to make it new

[Chorus 1]

We will sing in all the earth
you are wonderful let
your praise be heard where your mercies flow

[Verse 2]

[Chorus 2]

We will sing in all the earth
you are wonderful let
your praise be heard where your mercies flow
In all the earth we will proclaim
how awesome is your name

[Bridge]

All praise to Christ our Savior
Our strength and our redeemer
All praise to Christ our Savior
Lord, be lifted high
Let your name be lifted high
